# Transition headline

Let's start with the first set of slides

Quotations are commonly printed as a means of inspiration and to invoke philosophical thoughts from the reader.

# This is a slide title

- ◇ Here you have a list of items
- ◇ And some text
- ◇ But remember not to overload your slides with content

Your audience will listen to you or read the content, but won't do both.

# BIG concept

Bring the attention of your audience over a key concept using icons or illustrations

# You can also split your content

## **White**

Is the color of milk and fresh snow, the color produced by the combination of all the colors of the visible spectrum.

## **Black**

Is the color of ebony and of outer space. It has been the symbolic color of elegance, solemnity and authority.

# In two or three columns

## **Yellow**

Is the color of gold, butter and ripe lemons. In the spectrum of visible light, yellow is found between green and orange.

## **Blue**

Is the colour of the clear sky and the deep sea. It is located between violet and green on the optical spectrum.

## **Red**

Is the color of blood, and because of this it has historically been associated with sacrifice, danger and courage.

# A picture is worth a thousand words

A complex idea can be conveyed with just a single still image, namely making it possible to absorb large amounts of data quickly.

A decorative graphic on the left side of the slide consists of a cluster of hexagons in various shades of blue and cyan. Some hexagons contain white icons: a lightbulb, a thumbs-up, a smartphone, a magnifying glass, and a gear. A network of small circles is also visible. The central hexagon is a large, solid cyan shape containing the white number '2'.

SlidesCarnival icons are editable shapes.

This means that you can:

- Resize them without losing quality.
- Change fill color and opacity.
- Change line color, width and style.

Isn't that nice? :)

Examples:

# Diagrams and infographics

**You can also use any emoji as an icon!**

And of course it resizes without losing quality.
