SHOW UP

No matter how boring or uncool college parties seem to be on the outside, be sure to attend even just one and hang out with different kinds of people.

CONVERSE

It can be daunting to strike a conversation with someone you've just met, but with a bit of courage and a joke to spare, you'll earn yourself a new friend in no time.

INDULGE

It can be pizza, chips, or anything that's probably not as nutritious as your parents would hope, but if it's free, it's okay to indulge every once in a while.

DRINK AND DON'T DRINK

Even if college parties seem to be all about the booze, you don't have to drink if you don't feel like it. You can definitely still enjoy the party while staying sober.

DANCE, SING, OR CHILL OUT

Whatever you do at a party is totally up to you. You can dance, sing, or choose to chill on the sidelines alone or with friends. Go and see what's fun for you!
